

About Us

Star-Lite Construction Ltd. has "A Reputation You Can Trust".

Star-Lite has created homes for several hundred families in and around the Greater Fredericton area for over 38 years.

Our current subdivision developments - Star-Lite Village and Eaglewood Village - are growing together to provide residents with an unmatched quality lifestyle not found anywhere in Eastern Canada. Close to Nature, but only moments away from Shopping, Schools, Entertainment, and with plenty of Recreation facilities nearby.

Stay tuned for our latest development, Eagle Ridge, just off Eaglewood Village.

Our homes are all R2000 certified and EnerGuide rated; that is our minimum standard.

In March 2006, Star-Lite Construction Ltd. was created to continue the building of homes in both Star-Lite Village and Eaglewood Village as well as in Fredericton and its surrounding area.

In addition to new home construction, Star-Lite Construction Ltd. will also provide the service of renovations for both residential and small commercial projects. We also provide homes for the environmentally sensitive.
